Fujairah university

Welcome To Fujairah University

Welcome messages

University President Dr. Suliman Aljaseem

Welcome to Fujairah University — a beacon of knowledge, innovation, and academic excellence, where our guiding vision comes to life under the motto: “Fujairah University– Where the Future Rises from Here.”

We recognize that today’s world is undergoing transformative changes that demand qualified professionals equipped with the knowledge, skills, and vision to lead change and craft innovative solutions. Accordingly, we are dedicated to preparing graduates with high professional competence, strong research and analytical abilities, and the capacity to contribute effectively to national and global development.

Why Choose the **Fujairah University**

- Strategic location in the heart of Fujairah.
- Accredited and high-quality academic programs.
- Qualified international faculty members.
- Multicultural learning environment.
- Internship and career development opportunities for students.
- Modern campus facilities and student support services.

Strategic Direction...

A. Vision Statement

"To be a nationally and globally recognized university of excellence, innovation, and sustainability, advancing knowledge and technology for a human-centered, future-ready society."

B. Mission Statement

"FU is committed to delivering transformative and outcome-based education that nurtures excellence, innovation, and sustainability. Through learner-centered pedagogy, impactful research, and strategic partnerships with industry, government, and community, the University prepares future-ready graduates who advance knowledge, uphold ethical and human-centered values, and contribute to the sustainable development of the UAE and the global society."

C. Core Values

Fujairah University's core values are fundamental principles, which define its nature, direct its strategic decisions, and promote a commitment to excellence, integrity, innovation, and social responsibility in its academic and administrative functions.

Core Values

A. Excellence

Values the highest standards for learning, teaching, research, and service, consistently seeking quality, innovation, and global competitiveness.

B. Integrity and Accountability

Promotes honesty, transparency, fairness, and ethical accountability in all academic and administrative efforts to foster trust among students, faculty, staff, and collaborators.

C. Innovation and Creativity

Cultivates a culture that promotes entrepreneurship, digital transformation, and problem-solving, thus equipping graduates to excel in a dynamic and interconnected world.

D. Sustainability and Responsibility

Committed to the advancement of ESG principles, in accordance with the UN SDGs and the UAE's sustainability objectives.

E. Collaboration and Partnerships

Dedicated to forming partnerships with government agencies, academic institutions, and local and international communities to enhance educational standards, research endeavors, and social welfare

F. Inclusivity and Diversity

Cultivates diversity, appreciates cultural differences, and ensures equal opportunities, thus creating an inclusive environment for all students, faculty, and staff.

G. Community Engagement

Confirms its commitment to the service of Fujairah, and the UAE, and we can assure that our programs and research meet the needs of society and contribute to socio-economic advancement.
